

# CHAT & CHEW

Join CSC and Interworks for this free 4-part Agency Capacity Building lunchtime learning series.

Collaborative leadership is a necessity in the workforce today. Leaders who can harness the creative energy of the people working on a project or change effort, create more innovative solutions, and can adjust to rapidly changing complex environments.

The Chat & Chew program focuses on the ability to create **Alignment**, **Focus**, **Integrity**, and **Accountability** in any team effort, which creates a solution-focused mindset and empowers teams to generate greater results.

**Session 1: Alignment**

February 12th

**Session 2: Focus**
