**Vulnerable Populations
Financially Assisted Child Care**

Early Learning Coalition of Broward County
Fikisha Harris
Fharris@elcbroward.org
954-377-2188 ext. 2110

This program offers subsidized quality child care slots for children from birth to 5 living in exceptionally vulnerable families in Broward. Eligible families receive child care quickly to prevent further breakdown of what may already be difficult family situations, to help families becoming or remaining economically self-sufficient, and to prepare preschool aged children for success in school.

**FOSTER CARE
& ADOPTION**

Forever Family

foreverfamily.org
954-303-5802

Gia Tutalo-Mote
gia.foreverfamily@gmail.com

Weekly segments on the NBC-6 local news feature Broward children in need of a permanent, caring home. On occasion, Forever Family will highlight related issues, such as foster parent recruitment, Guardian ad Litem recruitment, and foster/relative care youth transitioning to independent living.

Heart Gallery of Broward

Yvette DuBose
yvette@heartgalleryofbroward.org
954-918-3008

A traveling exhibit of professional portraits and biographies of children available for adoption. The photographic and kiosk-based gallery is displayed in many public places, such as shopping centers and libraries that can reach hundreds of prospective parents.

EARLY CHILDHOOD PROGRAMS

Children thrive and parents rest easy when children participate in programs that enhance their ability to learn and socially engage and fees are affordable.

Early Literacy Interventions

Reading & Math, Inc.
786-347-3667

Reading & Math, Inc., through a partnership with Broward County Public Schools, is implementing the Reading Corps program in Broward County. Florida Reading Corps tutors serve children in PreK classrooms in underperforming schools with targeted early literacy interventions. Reading Corps screens all students at designated schools to identify children who are behind on early literacy skills, and develop individualized tutoring plans to meet each child's needs.

Financially Assisted Child Care Services

Early Learning Coalition of Broward County
954-377-2188

This program provides subsidized child care for low-income families residing in Broward County based on income eligibility. The intent of this program is to prevent child abuse and neglect; assist families in becoming or remaining economically self-sufficient; and prepare preschool-aged children to enter school ready to learn.

Positive Behavioral Interventions and Supports

Family Central/KID
954-720-1000

This initiative strengthens current Early Care and Education programming in an effort to meet the comprehensive needs of child care programs, teachers, and families. The program uses a cadre of Quality Coaches who provide training and quality improvement support to participating child care providers. Some activities include providing training and technical assistance using the Positive Behavioral Interventions and

Supports (PBIS) approach specific to preschool inclusion, family involvement, cultural sensitivity, and developmentally appropriate curricula.

Vulnerable Populations Financially Assisted Child Care

Early Learning Coalition of Broward County

Amy Moore
AMoore@elcbroward.org
954-377-2188 ext. 2187

This program offers subsidized quality child care slots for children from birth to 5 living in exceptionally vulnerable families in Broward. Eligible families receive child care quickly to prevent further breakdown of what may already be difficult family situations, to help families becoming or remaining economically self-sufficient, and to prepare preschool aged children for success in school.

THE CAMPAIGN FOR GRADE-LEVEL READING

Children's Services Council of Broward County

Liza Khan
lkhan@cscbroward.org
954-377-1146

The CSC is the lead organization in Broward for the Campaign for Grade-Level Reading (CGLR). CGLR is a collaborative effort by foundations, nonprofit partners, business leaders, government agencies and communities to ensure that more children succeed in school and graduate prepared for life - college, a career, and active citizenship. This initiative focuses on ensuring children read at grade-level by the end of third grade. Research demonstrates that

proficiency in reading by the end of third grade enables students to shift from "Learning to Read to Reading to Learn." Schools cannot do this alone; engaged communities are needed to remove barriers, expand opportunities, and assist parents in fulfilling their roles and responsibilities in the success of their children.

KIDVISION/WPBT

WPBT Channel 2

Frances Hernandez
Frances_Hernandez@wpbt.org
305-424-4180

With WPBT's KidVision VPK, teachers watch, learn, play and integrate the Florida Voluntary Prekindergarten (VPK) Education Standards through entertaining and educational virtual field trips that appeal to both adults and children. Teachers learn the standards and then use the web-based field trips to add another dimension to their classroom curriculum. Also provided are lesson plans and student assessment forms.

The program's goal is that adults will be knowledgeable about what children need to be learning to prepare them for kindergarten and life. KidVision is fun, free and provides a reason to celebrate learning and growing together!

AFTERSCHOOL & SUMMER PROGRAMS

These year-round and summer programs provide a safe, positive environment for elementary school children from economically-disadvantaged areas in Broward County, for children and youth ages 3-22 with behavioral health and other special needs. High-quality and enriching activities expose children to art and culture, music, science and community service while boosting academic achievement, supporting social and physical development, and strengthening children's relationships with adults and peers within their families, schools and communities. A sliding fee scale is used to determine program fees.

The Advocacy Network
on Disabilities

305-596-1160

The Advocacy Network on Disabilities provides two experienced Inclusion Specialists to work collaboratively with staff from our MOST sites to increase their capacity to create positive, nurturing, and developmentally appropriate programs that welcome all children. Project activities begin with the provision of the training, An Administrator’s Overview of the Americans with Disabilities Act. Then, the Inclusion Specialist meets with the executive staff to help the organization identify where it is on the pathway to inclusion.

Hanley Foundation

The Hanley Center Foundation serves both middle school and high school youth by implementing the evidence-based Alcohol Literacy Challenge and SPORT Marijuana Awareness programs, as well as providing Youth Summit, serving middle and high school age youth during the school year. The provider uses evidence-based Active Parenting Program to provide instruction to parents/caregivers in various local communities using a “Train the Communities” approach. It is anticipated that the cumulative effect of these initiatives will achieve the following:

- Reduce underage drinking among Broward County youth;
- Reduce the increasing prevalence of Broward County youth reporting marijuana use; and
- Build community capacity to promote behavioral health wellness.

The goal of the Hanley Center is to

provide a comprehensive approach to reducing underage drinking and marijuana use in Broward County while promoting positive youth development and effective parenting.

■ HYT (HEALTHY YOUTH TRANSITIONS)

HYT's county-wide programs provide holistic life coaching and counseling services, using the Transition to Independence Process, to promote the development of life skills, academic and employability skills to help youth transition successfully into healthy, young adults. In collaboration with The Jim Moran Foundation, these CSC-funded programs work with dependent youth aging out of formal or informal foster care, youth with delinquency involvement and/or lesbian, gay, bisexual, transgender or questioning (LGBTQ) youth, and high school-aged youth who are at high risk of not graduating or are neither in school nor working. The HYT programs offer hands-on activities that address the social, emotional and behavioral needs of youth and help them to connect to appropriate resources in the community.

The Earned Income Tax Credit (EITC) is a federal anti-poverty program that provides financial assistance for working families. In 2002, the Children's Services Council began promoting EITC through a county-wide public awareness campaign. Since then, over \$500 million has been returned to Broward residents. With the onset of the COVID-19 Pandemic this program has shifted to offer EITC recipients the choice of filing their returns at various, dedicated, on the ground Volunteer Income Tax Assistance (VITA) sites, entirely online, or through a hybrid drop off method, allowing participants to have flexibility. The program now also offers a free VITA hotline to answer any general questions that pertain to the program. Additionally, volunteer opportunities through Hands on Broward exist for those who wish to become IRS-certified volunteer tax preparers.

954-377-1116

To help address ongoing food insecurity in the NE quadrant of Broward County, CSC has partnered with Deliver Lean Cares as well as CSC funded programs in that area. During the Winter and Spring Break school holidays, when children are less likely or unable to access school and afterschool meals, this program provides two healthy meals per day to children and their families. Meals are customized for families and are nutritious, prepared, ready to heat and eat. Meals are delivered directly to the homes of families that are likely to have difficulty accessing other types of distribution efforts.

Florida Introduces Physical Activity and Nutrition to Youth (FLIPANY) was awarded an Aetna Foundation Healthiest Cities and Counties Grant to Wellness Initiatives for students and parents at Deerfield Beach Middle School. Through the grant FLIPANY's Healthy Student-Healthy Community (HSHC) Team will implement two priority objectives identified by the HSHC Youth Advisory Board and the Parent Advisory Board: A Food Recovery and Food Pantry Program through onsite youth leadership and community volunteers, and the use of Feeding South Florida's mobile app, MealConnect, to connect families needing additional food resources with locations where those resources are available for distribution.

Harvest Drive

The Harvest Drive is based on the premise of children helping children and adults working hand in hand to offer needy families in Broward County gifts of food and other necessities during the Thanksgiving holidays. Students from public and private schools, churches, temples and neighborhoods hold drives and supply the Harvest Drive with nonperishable food that is distributed to families. In addition to helping others, the purpose of the Drive is to teach children at an early age that their contributions can make a difference in the lives of others.

Mobile School Pantry

954-297-4929

The Mobile School Pantry Program under the umbrella of the South Florida Hunger Coalition is designed to alleviate child hunger in Broward through the monthly provision of nutritious food to children and their families at Title 1 Schools. Throughout the school-year, the program provides a way for children and their parents to meet their personal dietary needs by accessing a wide and sufficient variety of fresh nutritious food to help the students learn, grow and thrive. During the COVID emergency, drive-by grab and go efforts have continued throughout the County. In normal times the families will access this program at their school location in a farmers' market setting on a converted school bus, Sprout.

HEALTH & SAFETY INITIATIVES

The CSC funds programs and supports initiatives that keep children safe and healthy in the environments where they live, play and study. Healthy, safe children grow-up to become responsible, productive adults.

In 2003, the American Academy of Pediatrics (AAP) published a report that estimated that the risk of infant suffocation increases 20-fold when infants and adults sleep in the same bed. In 2005, the AAP restated that co-sleeping is a growing concern and recommended that infants not share a bed during sleep.

The Safe Sleep Initiative provides low-income families with free GRACO Pack 'n Play® cribs, one crib sheet, and a safe-sleep sack, and counsels parents on the dangers of co-sleeping. In addition to educating parents on safe sleep practices, the Safe Sleep Coordinator will educate community stakeholders, such as first responders and service providers, physicians and other medical personnel who interact with families.

KIDCARE OUTREACH

Jay Sanford
jsanford@broward.org

Broward County's SWIM Central program works with Broward County Public Schools and child care centers to provide drowning prevention components, including:

- A minimum of six, and a maximum of 10, water safety lessons to participating children.
- A minimum of 25-30 minutes of water safety instruction per class with a maximum of 10 children per instructor.
- Water SMART Broward drowning prevention material, which includes water safety facts, data, and available resources. Additional educational classes are also offered to every family to provide basic water safety and drowning prevention information.
- In addition, the CSC funds coupons for free to low cost instruction for Broward's children 6-months through 4-years-old and the parent/caregiver of any child who redeems a child coupon is eligible to receive an adult coupon for themselves.

Drowning Prevention is a collaborative community effort driven by the Drowning Prevention Task Force. In 2009, the Children's Services Council allocated funding to support a full-time coordinator housed at the Broward County Health Department who provides insight and accountability for the implementation of the Drowning Prevention Action Plan.

Task Force members create a culture throughout Broward County that infuses drowning prevention methodologies, practices, and messages throughout the community, directly impacting families with young children by:

- Coordinating and disseminating an evidence-based water safety public message: Water SMART Broward
- Hosting water safety public outreach events
- Advocating regarding local ordinances, and more.

CAPACITY BUILDING

The Children's Services Council is committed to collaboratively assisting emerging and community-based organizations that provide services for children and families to meet their full potential by offering professional and board development opportunities as well as funding through mini-grants and volunteer recruitment to positively impact their organizational capacity.

- 5 Metrics You Should Know
- 4. Donor lifetime
 - How long your donors give?
 - Donor Lifetime = 1/Donor Churn
 - 5. Donor lifetime value
 - Avg Donation Amount per Donor x Donor Churn Rate
 - Goal: Healthy organizations have a Donor Lifetime Value 3-5x greater than Donor Acquisition Cost

954-233-1295

The Children's Services Council supports HandsOn Broward as a critical component in Broward's human services system of care and infrastructure. HandsOn Broward provides year-round volunteer recruitment that connects individuals and groups through meaningful service opportunities with over 600 nonprofit organizations throughout our community.

It also provides signature youth programs that empower youth to grow as leaders through service and civil engagement, and acts as a hub for high school students in need of community service hours. As a CSC agency capacity building partner, HandsOn supports nonprofit agencies in the search and recruitment of volunteers to enhance service provision.

In addition, HandsOn Broward supports the Campaign for Grade Level Reading and Broward: Read for the Record by serving as the volunteer hub for literacy tutors, mentors and coaches.

OTHER CSC-FUNDED COMMUNITY INITIATIVES

How CSC Funds – Funding from CSC is typically offered through our competitive procurement process. A County-wide assessment determines community needs in children’s services. Based on these needs and public hearings, the Council establishes annual goals and a budget for the upcoming fiscal year. The goals and budget determine the need for procurement(s) to identify providers able to meet the local service needs. For more information on procurement and how CSC funds go to cscbroward.org
